

Pixie Animation

Make your pictures:

1. Draw a picture
2. File - Save As - Documents - New Folder
3. Give your folder a name - OK
4. Give your picture a name - Save
5. Change your picture
6. File - Save As - change the number - Save
7. Repeat 5 and 6 until all your pictures are made

Watch your animation:

8. Share (button in the Pixie Toolbar) - Folder icon (at the bottom) - Documents (in the sidebar) - select your folder - Choose
9. Options - Show
10. Timing - move slider to the left - 0.25 seconds
11. ✓ Repeat Slide Show
12. Transitions - Edit - None - Go Back
13. Background Sound - Edit - pick one
14. Start - OK - Sit back and watch your pictures move as if alive!

Make it into a movie:

15. Video - Create - Presentation
16. Documents (in the Sidebar) - select your folder
17. Give your movie a name
18. Launch

For continuous viewing, View - Loop

For faster action, Window - Show A/V Controls -
set Playback Speed to 3X
